Schools for Health in Europe

SHE RG current and future issues

Marjorita Sormunen

Kevin Dadaczynski

SHE Research Group meeting 28.-29.10.2020

This activity has received funding
under an operating grant from the
European Union's Health Programme

The steering group of the RG

- Nominated for three years (2019-2021)
- Giving input on issues related to school health promotion research and other ongoing tasks of the SHE research group, providing insight and expertise on various fields related to school health promotion and health education, offering advice and support to the chair and co-chair with their responsibilities and task, and providing strategic oversight and creating a forum for critical reflection.
- Read more about the steering group work from the Position paper and from:

<https://www.schoolsforhealth.org/about-us/research-group/rg-steering-group>

- Meetings 4 times a year

What are the activities/ways of working of the SHE RG?

The SHE RG will support and encourage its members to:

- form **joint working teams** for research purposes (projects, funding applications, conducting research reviews, and events, etc.),
- participate in and establish a variety of activities, such as **workshops in conferences, researcher (or student) exchange, joint PhD-supervision, sharing data, webinars and seminars, learning modules, finding keynotes or lecturers,**
- participate in **capacity building workshops,**
- participate in **scientific meetings and other recognized distinguished positions representing the SHE approach,**
- link with other (European and/or international) **research groups, study groups** (e.g., HBSC) and initiatives,
- disseminate research findings through **publications, conferences, and other scientific and public events.**

Collaborative activities between the SHE RG and the SHE Assembly are considered important to facilitate communication between them and to create a shared understanding of joint activities.

What has happened / will happen in 2020?

- Contributing to several tasks, e.g., Factsheet planning, SHE newsletters, SHE Academy
- Forming a group for writing a joint publication
- Starting discussing about authorship policy and author recognition
- Updating Position Paper (November / December)
- Planning and launching working teams
- Starting planning SHE webinars
- New RG memberships
- Organizing 2 RG meetings, 4 steering group meetings, 10-12 chair meetings, and participating in 3-4 SHE board meetings

What is planned for 2021?

- Contributing to several tasks, e.g., Factsheet planning, SHE newsletters, SHE Academy
- Formulating authorship policy and author recognition document
- Support for scientific publication – open call for RG members
- Encouraging network members for collaboration and active participation (e.g., special issue calls)
- Support and facilitation of working teams to start their activities
- Launching SHE webinars
- Meetings as planned (organizing 1 RG meeting, 4 steering group meetings, 10-12 chair meetings, participating 3-4 SHE board meetings)

Important: Reporting to EU

- All RG activities
- If you have represented the SHE (RG) in conferences, co-authored publication(s) together with another SHE RG member, organized seminars etc. scientific activities, please, send Marjorita information about that.

Reminders:

- Julie reminds of the possibility to create a small video presenting your research results, which can then be put on the SHE YouTube Channel. She has posted a video showing how to technically make such a video: <https://www.youtube.com/watch?v=8g4bkjgn1gg&t=134s> Contact: jdgu@ucsyd.dk
